Endorsement No. AGI/END/2026/1187 - Maternity Benefit Enhancement

Attached to: Family Health Optima Policy Wording Version 3.2 (UIN ACMEHLIP26032V032627)

Document type: Endorsement | Effective from 01/10/2026 to 31/03/2027

This Endorsement forms part of and is attached to the Family Health Optima Insurance Plan Policy Wording, Version 3.2. All other terms, conditions, exclusions and limitations of the Policy remain unaltered.

SECTION 1 - AMENDMENTS TO BENEFITS

1.1 Enhancement of Maternity Benefit

With effect from 1 October 2026, the sub-limit for maternity expenses set out in Section 3 of the Policy Wording is enhanced as follows. All other conditions governing the maternity benefit, including the waiting period of thirty-six months, remain unchanged.

Benefit	Existing sub-limit	Revised sub-limit
Maternity - normal delivery	Rs. 50,000	Rs. 75,000
Maternity - caesarean section	Rs. 75,000	Rs. 1,00,000
Pre and post natal expenses	Not covered	Rs. 10,000 within the maternity limit

1.2 New Born Baby Cover

A new born baby shall be covered from day one of birth up to the maternity sub-limit applicable, for expenses incurred towards medically necessary treatment of the baby while the mother is hospitalised. The baby must be added to the Policy within ninety days of birth for cover to continue beyond the mother's discharge.

SECTION 2 - AMENDMENTS TO EXCLUSIONS

2.1 Modification of Clause 4.13

Clause 4.13 of the Policy Wording relating to obesity and weight control is amended by the substitution of a Body Mass Index threshold of thirty-seven for the existing threshold of forty, where the Insured Person has an associated diagnosis of type 2 diabetes mellitus.

SECTION 3 - PREMIUM

An additional premium of one thousand two hundred rupees per insured person per annum is payable in respect of the enhancements granted by this Endorsement. The additional premium has been collected and is acknowledged.
